

Indochina Missions Newsletter for the 1st of September 2015

Saveun and I wish you the warmest of greetings from the work here in this cooler September month in Cambodia. We hope you are growing and enjoying your service to our Lord Jesus.

This past month it was back out to the village work for New Testament Bible School exams. We had a real challenge on handling how to exam 19 students on 13 Bible memory verses each, 91 lesson questions as well as learning the books of the New Testament. I worked out a plan with Pastor Reap and we got it all completed and each and every one of the students passed their exams. We had them answer selected questions and memory verses and then each student had an oral exam on reciting the books of the New Testament. The challenge for me was to keep up with the speed at which these young people recited their verses in the Khmer language. By God's grace they all passed with flying colors and we hope to get them into their next area of study in the Old Testament quite soon.

The Fruit of our Labors

Pastor Reap called me this past week with a real bounty. After months of work in the Bible school and in personal evangelism in the village, he had seven souls give testimony of their faith in Jesus and submit to believer's baptism. By God's grace the rainy season had filled the local lake and he was able to have an old fashioned baptism outside in the Vay Co Lake near the Church house.

Here at the DaNgow Church we have continued to have great services. This past month we had our 5th Sunday Lord's Supper and I was encouraged by the reverence and respect of the saints here for our Lord's sacrifice on the cross for our sins.

Saveun and I thank you for your love and prayers that the work of the Lord here may go forward for the honor and glory of our Lord Jesus. God bless you for your prayers, love, and gifts that we may do all that Jesus has called us to do right up to the day Jesus calls us to heaven.

In Christ's Service to the Cambodian People,

Glenn and Saveun Colley
