### JULY 2017

**G**reetings from a hot and rainy month here in Cambodia. Saveun and I hope you are all enjoying your service to our Lord Jesus.

We had a lot of great work come to fruition here in the month of July. Our students in both the Doan Saw Village and Elephant Story Village Churches finished their course of Bible Study on the ten miracles of blessing of the Lord in the days of Moses and Joshua. They studied about when the Children of Israel saw the Red Sea open before them to the wilderness

through to the Jordan River parting to bring them into the Promised Land. Forty-four teachers and students completed their course of study and I had a great, though tough, trip out to give them their exams. The rain on the clay soil really is slick in spots and it is a rough and washed out back trail that I go over to get to them. I'm looking in on a second motorcycle for these trips which can better handle these rough trails without giving me back pain. Four hours a day on these roads can be a real challenge. The pictures below show what makes our work worthwhile:

Here at the DaNgow Church we had a great blessing on the third Sunday of July with ten souls from a new area who received Christ. I baptized them right after the Sunday Service. We thank you all for your love, prayers and gifts that we may do all the work which the Lord calls us to do for the love of those yet to hear of the Savior and we hope for even greater things to come.
