JANUARY 2018

Saveun and I send you our greetings from a cool and pleasant Cambodia. This is the one month of the year that temperatures drop down from the 90's into the 70's. In past years it has been cool for just a week, but this year the cool weather has been with us for about three weeks now and it really is enjoyable.

We'll be opening up our Bible Institute this year with a record number of students. I'll be starting with a quite comprehensive study in the Gospel of Luke. For this session I will provide them with a more professional copy of the lessons typed up in the Khmer language rather than being hand written as we usually do. The Khmer language is not written with the usual Roman letters found in the western languages such as French, English, and Spanish. Even the Vietnamese language which was originally written with characters like the Chinese language was changed by the French and is now written in Roman ABC lettering with special symbols to indicate pronunciation. The Khmer language has its own letters not used by any other language. It is written from left to right with over 100 vowels and consonants and no spacing between words. With the Lord's help we will have all of our Gospel of Luke lessons beautifully printed in fully typed Khmer font with a cover picture by February. The Pastors will be in during the second week of February and we'll be loading these lessons in packed waterproof boxes onto their motorcycles for the three hour trip to their Village Churches.

Lesson One of our Gospel of Luke Bible Study in the Khmer Language

Saveun and I and the Cambodian People thank you all for your prayers, gifts, and love that the Word of God and the Gospel of Salvation in Jesus Christ can go forward to the Cambodian people. What a blessing it is that even in these remote Village Churches the Gospel is proclaimed in their own local language and that they have these lessons so beautifully prepared for their Bible Studies. All of you are part of making this happen for the Honor and Glory of our Lord Jesus Christ and for the salvation of the Cambodian People.

*In Christ's Service to the Cambodian People,
 Glenn and Saveun Colley*
