APRIL 2018

Saveun and I send you our greetings this April with one of the most exciting reports to date. Our Bible Institute in the remote Villages was a resounding success. We spent two months of preparation here at the DaNgow Church before delivering the lesson booklets in the Khmer language covering all 24 chapters of the Gospel of Luke out to the Villages. We had all of our experienced students in this course with most of them scoring between 90% to 100% on their final exams and memory verses. We also had new students bringing the total to 66 students and teachers completing all of the course work. The classes were held over a month and a half from late February through to early April every Tuesday through Saturday evening. Student's ages ranged

from our youngest (and brightest) pair at 6 & 8 years old right through to a pair of men in their late 50's, a pair of women in their 60's and our eldest man scoring 100% at 69 years of age.

By God's grace we'll be getting the summer session of the Bible Institute started in June with expectations for another great year of service. God bless your love prayers and gifts that we may do all that the Lord has called us to do among the Cambodian People.

We are greatly encouraged by all that the Lord has done and will do with your prayers and gifts supporting the work all the way. There is a lot more exciting work in our other Churches and I'll be getting you an update on that work in our May Newsletter. God bless you for being a part of this exciting work.
