### DECEMBER 2018

**S**aveun and I send you our greetings from a cool 86 degree day here in December. Thank the Lord it is finally getting out of the 90's for a month or so.

All plans are in place for our Annual Christmas Evangelism scheduled for Sunday the 23<sup>rd</sup> of December. Everyone participates beginning with our Saturday night youth meeting when each child comes forward and has a choice of giving a testimony, singing one verse of a song, or reciting a memory verse. It is always a packed house. Sunday is more formal and reverent. The young people start off the meeting by reciting Isaiah 7:14 from memory "Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel": Following this we have a reading of the account of the birth of Jesus by the virgin Mary as accounted in the Gospel of Luke. Lots of special songs follow and I close the meeting with a message from Scripture. In the tradition of the wise men who

gave gifts to Jesus in their time of poverty and need, we also have special gifts for the poor in the Church. Beginning in January we'll be making preparations to get our Bible Institute going again in the Villages. Our last Bible Institute session (pictured above) had 48 students and they are looking forward to our opening a new study in February.

Saveun and I thank you for your love and gifts that the Gospel of Jesus Christ may continue to go forward into the hearts and souls of the Cambodian People.
