**S**aveun and I send you our greetings from Cambodia and we hope you are all doing well in your service to the Lord Jesus.

This July Newsletter is our second in a series of three on our work here in Cambodia and highlights:

#### **Establishing a Mission Church in the Isolated, Formerly Communist Kingdom of Cambodia**

It is by the grace of God and by the sincere prayers of many Churches and of God's people that we were able to open a Church in Cambodia. By all accounts of those who had gone before in the years before us, Cambodia had never been reached with the Gospel of Jesus Christ. Dr. Hammond and Dr. Elliot were in Cambodia in the early 1900's and from 1920 to 1956 were able to translate and print a complete Bible in the Cambodian language. During the years of the Vietnam war all foreigners were expelled from Cambodia and under the Communist Regimes that followed Christian Churches, Bibles, and even studying the English language were not allowed.

With the collapse of the Soviet Union all of that changed and the United Nations entered Cambodia with

armed soldiers in every province to oversee Cambodia's first election. This was our great answer to prayer and with the blessing of His Excellency Mr. Min Kinh I received a letter welcoming us to teach Christianity.

I did go and by the grace of God, we not only started an evangelistic Mission, but were able to build a Mission Church. The Church building went up in early 1994 and we have been meeting, evangelizing, and baptizing souls upon their profession of faith in Jesus without missing a single Sunday over these past 25 years. Cambodian children are now growing up in the Church and Christian Moms & Dads have a real Church within walking distance in this Chbaar Ampoa District of Phnom Penh.

We thank you all for your love, prayers and gifts over these years and hope for even greater work forward in reaching the Cambodian People with the Gospel of Jesus Christ.
