### JANUARY 2020

***“But as Many as Received Him, to them Gave He Power to Become the Sons of God, Even to Them that Believe on His Name” John 1:12***

Saveun and I wish you a Happy New Year 2020 and rejoice and hope for another great year of Service for our Savior Jesus Christ.

Our Christmas Evangelism was a great success. We used our Sunday Service on the 22nd of December as an Evangelistic Service to bring the Gospel message of salvation in Jesus Christ to a full house. In the weeks before and the weeks following Christmas the Church house was filling up with souls wanting to know about Jesus and his birth by the Virgin Mary by the power of the Holy Spirit. Beginning on the 29th of December we had three souls receive Jesus as their Savior and then the next week three more souls came. By Sunday the 19th of January we had 13 souls receive Christ and submit themselves for believer's baptism. This was a great answer to prayer.

Our New Year 2020 is starting our great. We spent the first weeks preparing our next session of the Bible Institute and the Village Pastors will be with us in

February to get all prepared to teach these Bible Lessons. We're hoping for 44 to 54 students to enroll next month.

We have two personal notes. The first is a prayer request for Pastor Reap's wife Mrs. Nuen. She has been bedridden with several ailments for months now. We helped get her the medicine she needed to recover from an infection and so that was a first answer to prayer. She was then diagnosed with Lupus. Since many of you have begun praying for her she has improved and is now able to sit upright and walk short distances. Thank you for your continued prayer.

Mrs. Noj, our Niece whom we raised and who is now one of our best workers is due to have her 2nd son born in February so we're all excited about that. Her first son David was born by C-section so we are praying her through and hoping for an easier delivery this time.

We thank you all for your love prayers and faithful gifts as we bring the Gospel of Jesus Christ to these uttermost parts of the earth.
