MARCH 2020

***“Train up a child in the way he should go: and when he is old he will not depart from it.”
Proverbs 22:6***

Saveun and I hope you are all in good health and growing in your prayers and service to our Lord Jesus. In early March the coronavirus had not yet affected Cambodia so we were able to have a wonderful Bible School just as planned. Our next Bible School is already in the works and we hope to have it all ready for when the coronavirus alarm has abated and the government gives us the go-ahead for schools and meetings to reopen in these remote areas.

We had prayed for 50 students total in this session but when I counted up the tally of those who passed their exam I was 1 short at 49 students. Then I remembered that Mrs. Noj was 9 months pregnant when she attended so we made her unborn baby an honorary student to bring the total to 50 students attending the classes.

Many of the young people pictured above are children of saved parents. The remainder are children of parents who respect their children’s testimony of faith in Jesus and get them to Church every Sunday. It is really exciting and inspiring to see such faithfulness in such remote and poverty stricken areas.

We completed a very wonderful project at our remote Church in the Village of “Elephant Story” . Their wooden stairway was not suitable for more than one or two persons at a time. We finally worked with Pastor Reap to have a very strong steel stairway with slip free steps and sturdy rails on each side welded on site and put into service for their church. We had students of every age stand on it all together so that everyone could see what a great job Pastor Reap did in setting it up.

We thank you all for your continued faithfulness, love and prayers as the Lord’s work goes forward here. We have been through the SARS epidemic, the bird flu epidemic, one civil war and now this coronavirus. This is a great time to let our Christian lights shine on behalf of these souls in remote regions who are beginning their lives for Christ in such difficult times. Our prayers are with you all also, each and every day.
