Souls for Our Saviour

Saveun and I send you our greetings on this our 27th Anniversary of our work here in Cambodia. It was 27 years ago this month in 1992 that The Church and Pastor Dennis Ammons and Deacon Mickey Hicks sent me off to the work here in Phnom Penh Cambodia. Within a few months we had our first souls saved and had a regular Sunday Service using a translator. Within a year and half we had purchased a plot of land and began building a brick Church building. We have been worshipping every Sunday and every Thursday for our mid-week Service all these years to today. On the west side of the Church I built a baptismal and over the years hundreds have received Christ and been baptized upon their Profession of Faith in Jesus Christ.

“He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name” John 1:11&12

The young man in the photo above is Vit. He is 11 years old now and he professed his faith in Christ

this past Sunday. Vit attended our church from a child but his family then moved away too far for him to come to Church. During the recent Water Festival beginning Sunday he made the trip back to our DaNgow Church all grown up. He stepped up right away during our altar call and presented himself for believer's baptism.

The Bible Institute to the Villages

Our Village Pastors were also in for our Pastor's Meeting. Our team here prepared, translated, printed and bound lesson books for 55 village students studying our next session on “The Work of the Holy Spirit in the Old Testament and the Indwelling of the Holy Spirit in the New Testament”. I'll be excited to be out to give them their exams and have our Fellowship meeting in the remote Villages during the month of December.

Thank you all for your faithful love prayers and gifts that the Lord's work may go forward among the Cambodian People for the Honor and Glory of Jesus Christ.

*In Christ's Service to the Cambodian People,
Glenn and Saveun Colley*
