

## Lunow Update October 2024

PRAISE The LORD: Safe arrival to Davao City, PHILIPPINES, help from friends to secure our rental house (their car in the port--we are still looking & praying for our own used vehicle), also move in help from Quinones family Lupon HC Fellowship (PTL we could hand them funds to purchase 8 piglets & feed to restart their piggery livelihood, thanks to the generous gift of Marysville Berean Church VBS families—thank you!), and then fellowshipping and encouraging multiple house church fellowships we discipled and established CHRIST foundations for—what a joy to see the growth, maturity, and new outreaches they are doing!! Regarding WEST PAPUA INDONESIA, the 3 of us leave Davao for ministry there October 24—November 22, asking your PRAYERS for safety in travels, strength in sharing Bible Curriculum Training to new groups asking, wisdom in repairs still needed for the Anggi house, and God’s leading in where/when to be for Sougb mission meetings and church fellowships as we are able. We praise God for our son Adam’s help both physically and with ministry—another provision from the LORD! THANK YOU ALL FOR YOUR GENEROUS GIFTS & PRAYERS!!!
